

RF-100 PRESENTATION REMOTE

Featuring 2-way RF communication

The RF-100 delivers straightforward and reliable PowerPoint® control!

If you like to keep things simple, the RF-100 may be just the right presentation controller for you. Three buttons (Forward, Back and BlackScreen) are all you need to operate PowerPoint slide shows. With the RF-100 Presentation Remote, you can focus on your presentation, not your equipment.

Features
